

Customer Journey Map

Date	15 March 2026
Team ID	SWTID-2026-4324
Project Name	OptiCrop: Smart Agricultural Production Optimization Engine
Maximum Marks	2 Marks

Phase of Journey	Stage 1	Stage 2	Stage 3
Actions <i>What does the customer do?</i>	- Search for ways to increase crop - Download OptiCrop app - Create account and enters farm details	- Checks daily weather and soil moisture alerts - Follows OptiCrop's fertilizer and irrigation recommendations - Uploads crop photos for disease detection	- Compares actual yield with OptiCrop's prediction - Shares feedback and rating in app - Refers other farmers to OptiCrop

Touchpoint <i>What part of the service do they interact with?</i>	• YouTube / WhatsApp ads • OptiCrop mobile app & website • Onboarding form in app	• OptiCrop dashboard and mobile notifications • IoT sensors in field connected to app	• Harvest report in app • Feedback form / Call from support team • Community forum in app
Customer Thought <i>What is the customer thinking?</i>	• Will this actually work for my soil and climate? • Is it too complicated for me to use? • Can it save me money on fertilizers?	• The app says to water less today. Should I trust it? • This pest warning came early, good! • Yield prediction looks better than last year	• I used 20% less fertilizer and got more yield! • Next season I'll try the new crop suggestion too • This app is worth the subscription.
Customer Feeling <i>What is the customer feeling?</i>	• Curious but skeptical • Hopeful • A bit confused	• Confident • Relieved • Engaged	• Satisfied and happy • Loyal • Proud

Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

Process Ownership <i>Who is in the lead on this?</i>	Marketing Team, Product Team	Data Science Team, Agronomy Experts	Customer Support Team, Product Team
Opportunities <i>How can we improve this stage?</i>	• Add regional language support + video tutorials • Give 7-day free trial with sample recommendations	• Add voice assistant in local languages • Send SMS alerts for farmers without internet.	• Give loyalty discounts for next season • Create farmer success story videos.
